

LANXESS Deutschland GmbH / D-50569 Cologne, Germany

To whom it may concern

European Directive 94/62/EC and its amendments until today

February 01, 2021

Dear Madam or Sir,

We hereby confirm according to our best state of knowledge, that our thermoplastic products under the trade names

Durethan[®] , Pocan[®]

based on spot testing results are assumed to be in line with the requirements of EU Directive 94/62/EC and relevant amendments until today as far as the sum of concentration levels of lead, cadmium, mercury and hexavalent chromium within our thermoplastic pellet material grades is concerned. We consider the CONEG requirements as being kept likewise.

Further information may be found on our following website:
